RE: Traffic Restrictions
Dogwood Drive Culvert Replacement

Please be advised that District Township has contracted with Bertolet Construction to replace the stream crossing culvert on Dogwood Drive which is located on Dogwood Drive approximately 375 feet north of Huffs Church Road.

A detour will be established on December 13, 2021. Dogwood Drive will be closed to through traffic between Huffs Church Road and State Street for approximately four weeks.

Dogwood Drive will be detoured via Mary Ann Drive and Centennial Road. Local access will be provided to all properties on Dogwood Drive throughout construction, however, through traffic across the stream will be blocked.

If you have any questions, please contact me at 610-987-9290.

Sincerely,

John Weber, P.E.
